natural roots collection

"Natural Roots" è una collezione che si ispira completamente alla natura e di questa ne porta le caratteristiche di eleganza e resistenza.
Le svariate armature e tecniche utilizzate evocano bene la natura nel suo aspetto pur supportando e ben adattandosi all'utilizzo nel mondo del contract. Natual Roots è una collezione di tessuti testati Fire Retardant che si declina in una composizione di 72 colori; effetti vaporosi, tinture artigianali che rafforzano l'effetto di naturalezza delle texture. Una collezione senza tempo, strumento di lavoro ideale per progetti di prestigio. Custom su richiesta con quantità da definire.

"Natural Roots" is a collection completely inspired by nature and it expresses the same elegance and endurance.
The several armatures and production techniques used echo the nature in its aspects whilst supporting and well adapting to the contract world.
Natural Roots is a collection of fire retardant fabrics offered in a palette of 72 colors; vaporous effects and artisan dyes highlight the textures' natural effects. A timeless collection and an ideal tool for prestigeous projects. Custom upon request, for minimum quantities to be defined.
