

DESIGN BY :  
IOANNIS SOLOMOZIS

An award winning designer, Ioannis is the creative director of SOLO Athens. Designing complex fabric patterns of nature themes to distinctive duotone textures and super comfortable furniture, makes his work to stand out. Featured in Pantone's color book it is one of his highest recognitions. Collaborations on bespoke interior projects with Gian Paolo Venier and Paola Navone, designing furniture, textiles and wallpapers for hotels located from the British Virgin Islands to private properties in the Aegean Sea created an amazing mix of projects that shaped his aesthetic portfolio collection.
